Limited Use
buildingSMART International Awards Program 2021

Terms of data usage

The term *Entrant* is used in this document to refer to the three parties responsible for submitting this entry to the buildingSMART International Awards Program 2021, namely, STRUCINSPECT - Palfinger Structural Inspection GmbH, VCE Vienna Consulting Engineers ZT GmbH and Autobahn GmbH des Bundes NL Südbayern.

The term *Awards Program* in this document refers to the buildingSMART International Awards Program 2021.

**Limited Use.** All data submitted by the *Entrant* as part of the *Awards Program* is to be considered sensitive and confidential. The aforementioned information is to be made exclusively available to persons directly and actively involved in the jury assessment process. No data submitted by the *Entrant* will be disclosed by buildingSMART to any third parties without prior written consent from the *Entrant*.

All data submitted by the Entrant is to be permanently deleted by buildingSMART upon (i) the conclusion of the *Awards Program*, or (ii) elimination of the *Entrant* from the *Awards Program* whichever should occur sooner.
